CHILDHOO

When an infant my body broke out all over with an eruption or rash, which became more aggravated as I grew older. Every noted physician in our section was tried or consult-When I came of age I visited Hot Springs, Ark., and was treated by the best medical men, but was not benefited. When all things had failed I determined to try S. S. S., and in four months was entirely cured. The terrible Eczema was all gone, not a sign left; my general health built up, and I have never had any return of the disease. Geo. W. Irwin, Irwin, Pa.
